REQUEST FOR CERTIFICATE UNDER 37 CFR 1.322

Sir:

In accordance with the provisions of 37 CFR 1.322 of the Rules of Practice implemented 35
USC 254, the Patent and Trademark Office is respectfully requested to issue a Certificate of
Correction in the above-identified patent to correct material errors in the printed patent document.

21 OCT 2004

Applicants: Borislav BOGDANOVIC et al.
U.S. Patent No.: 6,749,778 B2
Request for Certificate under 37 CFR 1.322

The error is listed below with the reference to its occurrence in the application and corresponds in order to the change listed on the attached Form PTO-1050:

Column 4, line 33, "(Examples 1s and 17)" should read – Examples 15 and 17 - -. See page 6, line 6 of the filed specification.

REMARKS

The Patent and Trademark Office evidently erred when these errors were made in the formal patent document since the text is correct in the application file.

Since these mistakes are not obvious from the printed text, it is believed to be in order for the Patent and Trademark Office to issue a Certificate of Correction in accordance with the two copies of the enclosed Form PTO-1050 and to place such a Certificate of Correction in the file so that such will appear on any copies of the patent which are ordered in the future. Moreover, since these mistakes are that of the Patent and Trademark Office, such should be done without charge to the patentee.

It is respectfully requested that when the above-requested Certificate of Correction has been issued and entered in the file, that a certified copy of the Certificate of Correction be duly returned to the below-listed agent for the patentee.

Respectfully submitted,

NORRIS MCLAUGHLIN & MARCUS, P.A.
